309 King Street, Newcastle West, NSW 2302

<http://minerehab2019.crccare.com>

ABSTRACTS DUE 11 APRIL 2019

(Please; the sooner the better. 😊)

The conference Th. 20th June 2019.

The 9th Annual Mine Rehab Conference 2019 (Best Practice Ecological Rehabilitation of Mined Lands Conference) is organised by the Cooperative Research Centre for Contamination Assessment and Remediation of the Environment (CRC CARE) and the University of Newcastle.

This annual conference is a significant event on the Hunter Region calendar. It provides an important avenue to promote the use of best-practice approaches in the management of rehabilitation of mined lands.

Conference themes

- ecological restoration and rehabilitation science, research and or best practice
- case studies along with achievements and lessons
- the regulatory environment now and the future
- biodiversity assessment now and the future
- mine voids and pit lakes
- other topics of interest to the mine rehab community

Enter our student poster competition to win \$1000 in prizes

Reserve your spot today.
