

9th Mined Land Rehabilitation Conference 2019

19–21 June 2019

NEX Newcastle Exhibition & Convention Centre
309 King Street, Newcastle West, NSW 2302

www.minedlandrehab.com.au

Sponsorship & Exhibition Opportunities

Mine Rehab 2019 provides excellent sponsorship and exhibition opportunities. Being a Sponsor or Exhibitor is an outstanding way to promote your name, support your brand, and maintain a high profile among specialists and decision makers before, during and after the event.

Sponsorship and exhibition benefits

Sponsorship supports an impressive technical level of program through outstanding keynote and plenary speakers. A full program of oral and poster presentations, stimulating workshops, and enlightening tours will attract a large number of delegates, giving your patronage a wide reach.

Mine Rehab 2019 is a unique opportunity to interact with key players in the mining industry, particularly focusing on mined land rehabilitation, while allowing you to:

- market your product or service at one of the largest mining rehabilitation conferences in Australia
- reach an expected target audience of more than 300 delegates, including leading environmental practitioners, regulators, environmental managers and decision makers spanning the private and public sectors
- attend a conference renowned for its success in bringing together industry, government and academia to foster practical solutions to environmental issues
- listen to speakers who are leaders in current and emerging areas of mined land rehabilitation

- expose businesses to end users and decision makers
- demonstrate your commitment to protecting and improving the environment.

Conference Schedule

Wednesday, 19 June 2019

- Workshops and short courses led by experts in science and policy of mine rehab.

Thursday, 20 June 2019

- 9th Annual Best Practice Ecological Rehabilitation of Mined Lands Conference
- Conference Gala Dinner

Friday, 21 June 2019

- Tours to pre- and post-rehabilitation mine sites (details to be confirmed)

Note

Workshops and short courses, Gala Dinner, and mine tours, etc. are separate costs.

Delegate profile

Mine Rehab 2019 provides direct access to professionals in industry, government and academia (approximately 40% rehab professionals, 20% industry, 20% government, and 20% academic).
